**Bonus Feature:**

Hand Out features an animated multi level bonus that will keep Players coming back for their share of the Hand Outs! The bonus is activated when 3 or more  index on any active payline from left to right.

When activated, the Player will select a Credit Card from the wallet (selection process may occur on primary game screen if top is not a touch screen). The available credit on the selected card will be illuminated and awarded.

Next, the Bills in the wallet will illuminate and one will be awarded.

Then, the hands above the wallet will illuminate until one is selected that will either provide the Player with a final bonus multiplier and / or move them up to the Spare Change Bonus.
