index, in any combination, on any active payline. When activated, Humpty will begin singing and dancing with his back-up dancers while the Player selects the total number of bricks indicated by the "Remove Brick" symbols. Removed bricks will crack and display a multiplier and/or bonus values. The goal is to gently get Humpty off the wall!

When 3 or more ADD 1 BRICK are scattered, one brick will be added for each symbol. Bricks are added to spaces that the display a multiplier or number. This is an opportunity for the Player to make the wall stronger to avoid a great fall.

If one of Humpty's girls fall off the wall, the Player enters the hidden Give Eggs a Break Bonus to help Humpty select a new back-up dancer(s) from 12 wanna be stars!
