Bonus Feature:

In addition to the reel symbols, there are 6 color square symbols. When indexed in the middle row of reel two, three, and/or four, the player will move to that color on the top box bonus screen. For example, if a red and blue color square index, the first move will be to the nearest red square and the second move to the nearest blue square.

If the Player lands on a space with a bonus game name, they will advance to that bonus game.
